

March Newsletter

We have two exciting celebrations this month.

St. Patrick's Day and Nowruz, the Persian New Year!

St. Patrick's Day: Students will have fun learning about St. Patrick's Day through art, crafts, and storytime. They'll make leprechaun traps as part of a fun project and explore the color green, shamrocks, and all things Irish!

Nowruz (Persian New Year): Nowruz marks the start of spring and a fresh new year! Our students will learn about this special celebration, including traditions like planting seeds to symbolize new beginnings. It's a wonderful way to explore the themes of growth and renewal.

We would love to celebrate Nowruz and the start of spring with you! Please join us on Friday, March 21st, from 5 to 7 PM for a special event to mark the occasion. It will be a great time to connect, share, and celebrate together!
