

WELCOME TO YOUR CHILD'S ALPHABET JOURNEY

At DeeCyDa Daycare, we believe that learning begins with curiosity, joy, and confidence. This alphabet training printable is designed to introduce your child to letters in a fun, engaging, and development-focused way. Each page encourages early recognition, pronunciation, and writing skills, building the foundation for lifelong learning.

Our approach goes beyond memorization. We guide children to understand, explore, and connect with each letter through simple activities that support cognitive growth, fine motor skills, and language development. Whether your child is tracing their first letter or recognizing sounds, every step matters.

This printable is a small glimpse into how we nurture young minds every day at DeeCyDa, through structured learning, emotional support, and a safe, inspiring environment where children thrive.
